

What's New For Summer 2021

Health & Safety

We are working under the guidelines handed down by the CDC, New York State, and the local health authorities to ensure a safe and positive camp experience for 2021.

Guidelines for summer camps are still being assessed and they may not be released until closer to the start of summer. We'll be sharing information with you as we receive it to ensure that we are in line with all guidelines. We are prepared to adjust in any way necessary, particularly after a successful 2020 season.

Our team will continue to communicate an exact health & safety plan via email and on our website upon receiving guidance from health authorities and after our team has created up-to-date procedures.

While some of the specifics have not yet been set in stone, please be aware:

- We will continue to have a full-time, on-site EMT.
- Key staff will be fully trained in CPR and First Aid.
- We will continue to have limited group sizes if/as needed.
- A regular sanitation schedule will continue to be in place.

Billing, Discounts, and Refunds

Several policies and operations surrounding billing, discounts, and refunds have changed.

- Our regular \$200/week deposit will still apply, however we have pushed back the full balance due date to May 1, 2021.
- Sibling discounts will now be available to all additional campers after the first with no enrollment minimum required.
- Beginning on June 1, there will be no discounts available. All camp tuition will be billed at the full price.
- Our cancellation policy has changed. The updated cancellation policy is:
 - Any cancellations received prior to May 1 are eligible for a full refund minus a \$150 administrative fee.
 - From May 1 until June 1, all cancellations will result in a credit that goes onto the family's Future Stars account, minus a \$150 administrative fee.
 - Any cancellations received on June 1 and after will not be eligible for a refund or credit. However, we will allow parents and guardians to switch the camp

weeks that their campers are enrolled for. Camp weeks may only be switched within the Summer 2021 season.

Please be aware that camp credits may only be applied to camp-related purchases. They cannot be applied to products or services at FS Tennis Club. Credits can be used for anyone in the immediate family. Cousins and other extended family are not eligible to use credits.

Programming

We are planning to operate the Summer 2021 season in a schedule that reflects a typical camp season. While we held half-day sessions in light of the pandemic for the 2020 season, we are planning to return to a full-day schedule.

- Tennis Camp will run from 9am to 3:30pm
- Little Stars is back!
 - The Multi-Sport option Little Stars Extended Day will still be available in order to extend the day from 2pm to 4pm.
 - Little Stars Tennis Extended Day will no longer be available.
- Certain programs from previous years are not yet confirmed. The most up-to-date information will be listed on our website, fscamps.com.

Reminders

There is a non-negotiable \$100 late fee for all campers registered after the deadline. The registration deadline is always the Friday before the start of the anticipated camp week by 12pm noon.

Walk-ins are highly discouraged. We are anticipating small limited capacities. While we will always accommodate walk-ins when space is available, we often have to turn walk-ins away due to high demand.

This list is not extensive of our policies and operations. Please make sure to read the policies, operations, and FAQ documents in full. They can be found at fscamps.com.
