

## Seasonal Appointment Policies, 2022

FS Tennis Club  
1370A Majors Path  
Southampton, NY 11968

Seasonal appointments are booked for the entire length of a season. The purpose of a Seasonal is to have a standing appointment on the same day, at the same time, on the same court, and with the same pro for the entire season.

A seasonal lesson or court rental is the ideal option for those who know their schedule in advance and will be in Southampton every week or weekend. All seasonals are booked and paid for up front.

FS Tennis Club operates in two seasons: An indoor season from mid-September to mid-May (usually about 30 weeks), and an outdoor season from late May to the beginning of September (usually about 15 weeks).

The schedule set forth at the start of the season is concrete and is not adjustable on a weekly basis. We will, of course, make exceptions for extenuating circumstances, but please keep in mind that as of our 2021 Outdoor Season, **we will be limiting the number of total changes that can be made to seasonal appointments.**

### Registration & Payment

We require a 50% deposit to secure your appointment upon registration. Your spot will not be reserved until payment has been received. Full payments will be due on **Monday, May 23rd**. Those who register for a seasonal after May 23rd will be required to pay for the entire cost of their seasonal at the time of registration.

We cannot prorate your seasonal if you won't be here for the entirety of the season. If you are going to be away for an extended period of time during the period in which your seasonal lesson is booked, please be aware that we may not be able to provide makeups for you. (Please see "Cancellations & Makeups for more information.)

### **Mid-Season Registration**

We will, however, prorate anyone who registers for a seasonal after the season has started if we have the court and/or pro availability, but only for the dates that have already passed - not for any dates that they will miss in the future.

So, if you start your seasonal in July, we would charge you for all of the weeks from the start of your seasonal through the end of the indoor season's period.

Please be aware that registration for mid-session commencement cannot be done far in advance. So, a client cannot request a seasonal from December to mid-May in September, as we might be able to sell that spot to someone who will be here for the entire length of the season. Instead, we suggest reaching out two weeks before your anticipated start date.

### **Cancellations**

If you need to cancel your seasonal, you are eligible for a full refund minus a 10% administration fee up to 2 weeks before the season starts. In the 2 weeks leading up to the start of the season, you will be eligible for a credit at FS Tennis Club for the monetary value that was paid minus a 10% administrative fee. The credit cannot be used toward camp-related purchases. **Once the seasonal has commenced, you will not be eligible for refunds or credits. There are no exceptions.**

### **Changes to a Seasonal Appointment**

As of the 2021 Outdoor Season, we will be limiting the number of changes that can be made to seasonal appointments. This includes, but is not limited to: 1. cancellations and subsequent makeup classes, 2. adding a pro to a seasonal open court, 3. moving an appointment to a different time on the same day, and more.

Clients will be allowed to make up to three (3) changes in the outdoor season, and five (5) changes in the indoor season. **In the event of a change, a makeup must be scheduled to a different day immediately.** These numbers apply to full-length seasonals only. FS Tennis Club may adjust the number of changes allowable to seasonals that commenced after the start of the season.

Any changes made past the allotted number in a seasonal will either not be possible, or may incur an administrative fee. If changes are not possible, credits and refunds will not be issued.

### **Makeups**

If you have to cancel an appointment, you must notify the office at least **48 hours** in advance in order to be eligible for a makeup class. While this will allow you to be eligible for a makeup class, please be aware that makeups are not guaranteed and are subject to court/pro availability.

It is the client's responsibility to keep track of and schedule their own makeups. We will only accommodate a makeup class if the original appointment is canceled at least 48 hours in advance and if the pro assigned to the appointment is available.

All makeups must be used in the same season that the seasonal is booked in. So, if you miss a session during the indoor season, you must make up that session within the current indoor season. Once our outdoor season starts, those makeup sessions will not carry over.

### **Renewing Your Seasonal**

FS Tennis Club has two seasonal periods: the indoor season (late September – May), and the outdoor season (June – September). We have seasonals available during the two seasons throughout the year. Pricing and scheduling is different for indoor/outdoor sessions so you must register for each separately.

Your seasonal is never guaranteed in the following season until you have registered and paid for the seasonal with the front desk and have received confirmation that the day, time, and court of your preference are available.

## **Additional Costs**

Please note that the cost of a seasonal broken down by the week is slightly more expensive than a regular individual lesson. This is because a seasonal guarantees you your court, time, and pro of preference.

At FS Tennis Club, we do our best to be transparent about our pricing. Sometimes, additional charges do apply, such as the following:

- Additional players: \$20 per additional player, per lesson
  - So, if your 30-week indoor seasonal is with two people, the additional cost would be \$600, if you had three people it would be \$1,200, etc.
  - Late registration: Subject to change, but typically the cost of 1 lesson or court

## **Behavior**

The staff and members of FS Tennis Club have a right to work and visit our facility without physical or emotional harm. If a client's behavior compromises that safety by physically or emotionally threatening or harming an employee or client, or otherwise creates a feeling of unrest, management reserves the right to terminate the membership of the parent or guardian in question along with any dependents or household members associated with their account.

Refunds or credits are not guaranteed, but will be determined on a case-by-case basis.

## **Spectators**

We are not allowing spectators to watch any classes during this time. Parents and guardians may walk their child to their court at the start of their class and briefly say hello to the coach, but should leave the bubble promptly after doing so.
