NEW! FS Tennis Club App

We are excited to announce the launch of our new **FS Tennis Club App**, which is connected to our new Mindbody booking system. With this new App, you will be able to more easily book your own appointments, choose your coach, and select your court of choice! *You can log into the FS Tennis Club App using your Mindbody log in. If you have not yet created a Mindbody account, you can skip that step, and just create an account within the App.*

Adult clinics (and Saturday Mini-Camps) can now be booked through the App. These offerings can also be booked through our Mindbody system (the App is connected to Mindbody), but this document is specifically for those who choose to use the App to book.
