

# Explorer Camp

**Director:** Eric and Beth Wurzburg

Greetings and happy summer Explorer parents,

Camp is just around the corner. We hope your little Explorers are excited for their upcoming excursions getting their feet wet, hands dirty, and minds blown!

A few new things on the horizon we would like to make you aware of: We are now offering healthy lunches from Citarella delivered to our paddle sites. As parents ourselves, we know how difficult it is to pack a lunch every day for our little ones. We have worked with the catering team at Citarella to build a revolving lunch menu with fruits, vegetables, and protein to ensure our Explorers are fueled throughout the day. The cost is \$80 a week. We will be taking feedback from the campers the first 2 weeks to see what they like and adjust the menu accordingly.

We are also in the process of building a boat to explore the bays, open waters, and further destinations unreachable by kayaks. This vessel will likely not be available for Explorer Camp this year, but feel free to keep posted on our website [www.eastendexplorer.com](http://www.eastendexplorer.com) our Instagram @eastendpaddler or email any questions to [paddletour@gmail.com](mailto:paddletour@gmail.com).

**Our weekly schedule of launch locations will be as follows:**

Please have your children dropped off at location between 9:00-9:15am

**Monday:** Conscience Point Historic Site; Conscience Pt. Rd, Southampton

**Tuesday:** Towd Point Launch; 340 Towd point road, Southampton

**Wednesday:** Conscience Point Historic Site; Conscience Pt. Rd, Southampton

**Thursday:** SOMAS; 16 Little Neck Road, Southampton

**Friday:** Conscience Point Historic Site; Conscience Pt. Rd, Southampton

(We will hike to Scallop Pond for Paddlympics)

**Pickup:** Optional early pickup from daily drop-off location at 1:15-1:30, or campers can take bus back to SYS/Future Stars to swim in the pool and utilize water slides where pickup is no later than 3pm.
